Site Council 2023-2024

Meeting date: April 16, 2014

Location: MUHS Library

Meeting began at 5:19 p.m. by Mr. Beery, Director of Intervention

Mr. Beery called the meeting to order. State testing will conclude this week. We are confident that 95% of our students completed the testing session. This will help obtain extra points toward our letter grade for the 2024-2025 school year. This year our letter grade was a "B".

Ms. Gee was unable to attend this meeting and requested Mr. Beery to conduct the meeting. Due to this change parents were asked to highlight positive things from the 2023-2024 school year and areas of improvement.
