Meeting date: December 14, 2021

Location : MUHS Library

Meeting began at 6:05 pm by Ms. Gee, Principal

Agenda Items

II. Ms. Gee welcomed all to the Site Council meeting and introductions were made.

III. Student Support Services Update - After looking over the needs of our students, Mingus will use ESSER funds for three programs that will help in the areas of academics, attendance, and student social and emotional support. The programs are Engage AZ, Safe Arrival, and SAP (Student Assistance Program). Complete roll out of these programs will conclude during the second semester.

IV. School Safety and Training – Lock down drill was last week. All in all, it went well. It is important for all staff to be on the same page. Training students and staff is key to being prepared. The administration conducted a debrief regarding the school shooting at Oxford High School. This was a productive meeting with all parties generating questions and answers.

V. ACT Simulations and Test Prep – Three activities are planned to help students prepare for this exam. They are sample testing, how to look at the question, and test strategies.

VI. Site Council bylaws/voting – Site Council bylaws can be found on our website under the About Us Site Council tab. Currently due to our single school district status, we are not obliged to use the voting structure. Beginning with the 2022-2023, we will move in this direction.
