Every Student Celebrated | Every Student Prepared

Hello Marauder Families!

We are excited to be approaching the end of our first semester of the 2024-25 school year! As a reminder, the semester grades are what appears on a student transcript and are what determines if credits earned towards graduation are awarded. For most classes, the first two weeks of December are finishing up class instruction and assignments. The third week is our semester final exams week with a modified testing schedule on Wednesday, December 18th and Thursday, December 19th. THERE IS NO LATE START ON WEDNESDAY 12/18.

One exciting opportunity to help support our school is a fundraising partnership with Sonic Drive-In on Thursday, December 5th. From 5pm until 8pm, 10% of all sales will be donated to MUHS. Our school's administrative team will work with our SITE Council to use those funds towards student recognition for academic and/or attendance accomplishments.

Speaking of SITE Council, there is a December meeting on the 17th at 5 pm in the library. These meetings are an opportunity for parent and student voices to give feedback, receive information, and have a seat at the table in decision-making at our school.

I thoroughly enjoyed my first semester as Principal at Mingus serving our students, parents, staff, and the community. I'm excited for this Spring semester and continuing to see the growth in our young people on campus! Winter break is a great opportunity for students and parents to be strategic about the fresh start students get in their classes. Time management, keeping track of assignments, backpack organization, appropriate use of electronics, and attendance issues are frequent areas students may want to focus on to improve their grades and academic performance. We enjoy supporting our students in their journey through our campus and want to see ALL of our students walk across our graduation stage with a smile and a diploma!

SENIOR Nicholas Osborn SPOTLIGHT

Nicholas is a dedicated, hardworking student, and a very talented artist. His teachers describe him as an insightful, empathetic, and respectful young man who has a positive and supportive influence in the classroom. His work in the art room, which has been showcased in local newspapers, is of the highest quality. As a sophomore, Nicholas participated in the 41st Annual Youth Arts Scholarship Competition at the Prescott Center for the Arts and won first place.

Currently, he is the president of Art Club and has had an amazing time making murals, pressing buttons, and raising money to go on field trips. Nicholas is also the Vice president of Interact Club, and a member of Bring Change to Mind. Participating in these extracurricular activities has given him experience in working towards causes he finds important. Bring Change to Mind has particularly helped him raise awareness of mental health issues around his peers through writing affirmations, giving study tips during finals, and occasionally experiencing the help of therapy dogs.

Nicholas has a collection of high school memories he has made over the past four years, by surrounding himself with great people who are supportive, kind, accepting and fun to be around. He likes playing video games, crocheting and making art, and learning about animals. He has fun going to dinner, driving, or watching movies with friends.

After graduating from Mingus, he wants to get a bachelor's degree in Ecology and Evolutionary Biology so that he can work as a researcher and possibly teach at the college level.

STAFF Josh Stallworth SPOTLIGHT Director of Bands

Josh Stallworth is relatively new to Mingus. He started last school year as our band director but has fully embraced the community and his role. His peers describe him as an enthusiastic and committed teacher whose excitement of our music program is infectious. Mr. Stallworth's love for music has transcended into the halls at Mingus and into the Cottonwood Community School District schools where he is currently working on a program to instill the love of music to younger students so that they can join the Mingus program when they get to high school.

His favorite part of the job is to witness students grow through music and create memories. He stays motivated by working with students and seeing how they can gain confidence and skills through music. He believes that students are capable of more than they think and that every small effort they make today will bring them closer to their goals and will show their strengths.

Josh was born and raised in Northwest Indiana, very close to Chicago. He attended Portage High School and studied several areas in music. Later, he received a performance scholarship to Valparaiso University where he earned his Bachelor of Music Education. There, he was a 4-year member of the Chamber Concert Band and the Saxophone Quartet. He also partnered with the Chicago Symphony Orchestra for two holiday performances. When asked what his favorite thing to do is, he said he eats, sleeps and breaths music. When he is not teaching or performing, he loves to read and likes to play cards with his friends and family.

Mingus Union High School Drumline Shines at NAU Band Day Competition

We are thrilled to announce that the Mingus Union High School Drumline was invited to perform at the Skydome during the Northern Arizona University Band Day Competition on Saturday, October 26. The performance was a huge success, showcasing the incredible talent and dedication of our students as they played their hearts out.

Adding to the excitement of the day, the NAU Band's performance was truly inspiring. Their powerful and dynamic show was a testament to the artistry and passion that fuels collegiate-level music programs. Our students were deeply motivated and captivated by their performance, making the day even more memorable.

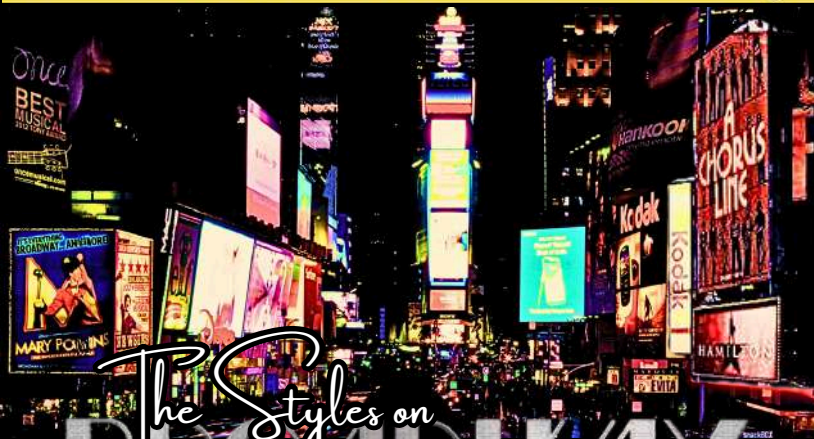

We are immensely proud of our drumline and extend our deepest gratitude to Dr. Stephen Meyer, Director of Bands at NAU, for providing this exceptional opportunity. Your support made this memorable experience possible for our students.

Nick Tickle, Fairy Tale Detective

By Steph DeFerie

**A one-hour children's play
that's fun for the whole family!**

Granny can't tell her favorite fairy tales because someone really cruel is stealing all the props! Breadcrumbs, magic beans, a basket of goodies, a glass slipper - all missing! The future of fairy tales is at stake, and it's up to the title character to set things right. With detective reasoning and his connections to the fairy tale world, plus some dumb luck, Nick Tickle sets out to locate the Mysterious Figure who's been pilfering all the props! He may require some help from the audience, but Nick Tickle is out to solve his toughest case ever! There's plenty of audience participation and lots of laughs for junior detective and their grown-ups.

Friday and Saturday, December 13th and 14th at 6pm

Tickets are \$5 for Parents, \$3 for Students and Children. Available on-line at atort.ludus.com, or at the door the evening of the performance.

Mingus Choir

competed in the Fall Choral Festival in Flagstaff where they performed "Laudate Dominum" by Dan Davidson, "For the Beauty of the Earth" by Greg Gilpin, and "Go Down, Moses" a traditional spiritual arranged by Ruth Morris Gray, earning them the Division 1 SUPERIOR ranking, which qualifies them for the state competition which will take place March 25th at the Higley Center for the Performing Arts.

"Our scores were the highest in our history! It is always rewarding to see and hear the growth in our choir program. While I recognize it, receiving validation from our judges helps the students recognize and internalize it as well. We are singing and performing better than ever, which is going to make our musical Revue in January amazing!" ~Mr. Ball

Mingus Choir and Theater Programs

were selected for the Kaleidoscope Grant by ASU Gammage to receive 46 tickets to the Broadway tour of Funny Girl. Students joined cast members in a catered dinner and later had a private conversation session with them to learn about Broadway life. Theater 3 students performed a scene of the play to cast members, and the Mingus Choir performed a Medley from Funny Girl. Tech students created costumes and set sketches which were put on display backstage for the entire cast and crew to see. It was a wonderful learning experience for our students.

"The students were very nervous to meet and perform for the cast members, but soon realized that they were the kindest, most supportive people ever! One student even said they were basically like them, but older! Our students received some phenomenal advice and inspiration they will carry forward for years to come." ~Mr. Ball

MUHS Visual Arts Department:

Art in the Clark presented Mingus Photography guided by the skilled instruction of Oouida Dorr throughout the month of November. Students are exposed to traditional darkroom photography and setting up still life shots, though most of their images are captured using the teenagers' ever-present cell phones. It was a wonderful opportunity to see these images captured through the lens of our future.

MUHS Clubs:

The MUHS Art Club created a fantastic Public Art Chalk Mural at the annual Walkin' on Main Festival in Old Town Cottonwood November 9th. Our sponsor, the City of Cottonwood, gave us the theme of Patriotism and our Club Leaders went to work to collaborate on a design that included the Statue of Liberty, an American Bald Eagle, a Thanksgiving Turkey, with Majestic Purple Mountains, Amber Waves of Grain, and an Arizona sunset in the background!

Chalk was provided by the Cottonwood City Department of Parks and Recreation.

Mingus Union High School Key Club is excited to announce that new member registration is open. Key club is an international club that focuses on community service and works closely with Kiwanis International. The club's goal is to improve the world one child and one community at a time. We will be meeting in room 426 on Tuesdays at lunch. Students can bring their lunch to eat. We will be holding elections the second week of December.

Key Club strives to help student build leadership and perform service.

Questions can be directed to Ms. Rose at MUHS 928-634-7531, ext 4426 or trose@muhs.com.

LATINO STUDENT UNION

In the month of November we had lots of events surrounding Latino culture. We had events like:

- Candle selling for the ofrenda
 - Decorating the ofrenda
 - Sugar Skull decorating
- and we partnered with student council to include a Dia de Los Muertos (Day of the Dead) theme during spirit week!

We plan to do more community service events and events that continue to celebrate Latino culture, especially with the upcoming holidays!

VACTE INDUSTRY CERTIFICATIONS VACTE STUDENTS ARE PREPARED FOR THE WORKFORCE

CERTIFIED NURSE'S ASSISTANT PROGRAM:

***OSHA 10 Healthcare-** This certification is a 10-hour course that helps the students with safety in a healthcare setting. It gives them information and certifications in regard to items like; Blood Borne Pathogens, Personal Protective Equipment and Emergency Services. It also teaches them about communication skills, personal finance and interviewing skills.

***CPR-** Our students get BLS for Health Care Provider CPR, which gives them practice in healthcare settings and outside of healthcare settings. This is a 2-year certification in which students can perform CPR. Most healthcare jobs have this as a requirement for employment. So, we give this to them to give them a head start in the employment process.

***CNA Certificate of Completion-** This is given to the students that have successfully completed at least 120 hours of classroom, skills and clinical time. They are required to pass the final written exams with a 75% or better and an 80% or better on the skills final. The students that get this certificate are then able to sit for the AZBN state board test.

***CNA State Certification-** This Certification is given once a student has completed the AZBN State certification Examination. They can apply for a CNA/LNA license through the Arizona State Board of Nursing. This license entitles them to work as a Certified Nursing Assistant in the State of Arizona, anywhere that Certified Nursing Assistants are employed.

PHLEBOTOMY

- *Define basic terms and codes related to phlebotomy and laboratory testing.**
- *Identify and describe the anatomy and physiology of the hand and arm.**
- *Describe how phlebotomy is affected by privacy laws and law enforcement.**
- *Collect blood specimens by venipuncture adhering to OSHA guidelines and lab safety in procedures.**
- *Explain how CLIA and HIPAA regulations affect phlebotomy practices.**
- *Describe reporting requirements for adverse phlebotomy.**
- *Describe and apply standard universal precautions.**
- *State the purpose of specific laboratory tests.**
- * 40 Sticks**

At completion of the course the students are able to obtain a Phlebotomy job.

COSMETOLOGY

CONSTRUCTION

- *OSHA 10 Construction Certification
- *IVES Lifts – Rough Terrain Forklift, Scissor lift, Aerial Boom Lift, Slab Style Forklift Certifications
- *Yavapai College Carpentry Certification
- *Yavapai College Plumbing/Electrical Certification
- *NRCA Commercial Roofing Certification

Completion of Construction Program equips high school students with the knowledge and skills to navigate construction sites safely and responsibly. From understanding common hazards to knowing how to use PPE and follow OSHA regulations, students gain a strong foundation in construction safety. The certifications the students receive help them feel confident and prepared for their first day on the job, reducing the risk of accidents and making them valuable, safety-conscious team members right from the start.

Many VACTE Construction students obtain employment with local businesses/contractors making a higher wage and a sustainable career path.

FIRE SCIENCE

- Arizona Center of Firefighter Excellence Certifications
- *Hazardous Materials Operations
- *Firefighter I
- *Firefighter II
- FEMA ICS 100 & ICS 200
