

Aura™ Identity Guard®

Benefits Summary

Aura™ Identity Guard® is the only Cyber Wellness solution that's directly integrated with IBM® Watson™ AI and all three credit bureaus for superior monitoring, alert speed, and accuracy. And when fraud does occur, our in-house, U.S.-based customer support representatives are available around-the-clock to help reduce the impact on your physical, financial, and emotional wellbeing.

HOW AURA IDENTITY GUARD PROTECTS YOU AND YOUR FAMILY

- ▶ Harnesses the power of IBM® Watson™ to analyze billions of pieces of data across the Internet and Dark Web, monitoring for fraud and cybertheft
- ▶ Curates personalized alerts to notify you of suspicious activity and potential threats
- ▶ Shields your children from cyberbullying and other forms of harm through best-in-class social media monitoring and cyberbullying protection that leverages Watson's natural language classification system
- ▶ Proactively monitors and removes personal information from data broker/aggregator lists and people-finding sites to reduce robocalls/texts and junk mail
- ▶ Safeguards your devices with safe browsing tools and VPN that include protection against malware, ransomware, viruses, and phishing
- ▶ Provides assistance through the remediation process via around-the-clock customer service and an insurance policy that enables you to recoup losses up to \$1 million*
