Agenda Items

Ms. Gee welcomed all to the Site Council meeting and introductions were made.

III. Family and Community Outreach/Hope Center

Sarah Garrett shared with the group the progress of her work as our Family and Community Outreach Coordinator. The Hope Center is not just a place where students can come and get school supplies. It is a place on campus they can come and obtain needs for school and home. Sarah is busy working with students and families to help them connect with local community outreach programs when needed. The Hope Center is also proud to have "The Prom Closet" up and running this year. Through donations and the help of Rotary Club, The Hope Center will be able to offer prom dresses and formal attire for all in need for Prom. They will also host a prom attire drive in November. Currently 23 dresses have been given to students to wear for the Homecoming dance.

IV. Google Classroom/Instruction Support

Shannon Anderson, Teacher Support Specialist, has taken on this role this year after many years in the classroom. She is our go to for google classroom support for students, parents and teachers.

VII. ESSER Funds

Mr. Westcott reviewed the results of the survey given regarding the use of the ESSER funds. Anyone wanting more information were encouraged to contact the District Office.

VIII. Athletic Budget

Mrs. Leonard reviewed the athletic budget. She welcomes any questions regarding the school budget and is happy to discuss this information. Her door is always open.

Due to time Ms. Gee finished this meeting covering exceptions for this group and meeting schedule. It was decided the Site Council will hold meetings the second Tuesday of every month at 6:00 pm in the High School Library.
