Academic Integrity		Academic integrity is a fundamental value of education and MUHS, therefore, acts of cheating, plagiarism, falsification or attempts to cheat, plagiarize or falsify will not be tolerated. Should it be determined that an academic integrity violation has taken place, the teacher reserves the right to assign a zero grade and submit a discipline referral to an administrator. Repeat infractions will result in additional discipline.
Academic Information Academic Expectations		<p>Attending MUHS is a privilege and with that comes the responsibility for the student to participate and progress academically. In class, students are expected to participate according to the directions of their teacher. Participation will lead to academic achievement and progress, the major goal of a high school education. The long-term reward is graduation, but the short-term rewards are many and depend on the individual. Some overall scholastic expectations are as follows:</p> <ul style="list-style-type: none"> • Take focused notes. • Enter class on time, prepared with necessary materials. • Follow teacher directions. • Ask for assistance from teachers/others as needed. • Study/review for tests. • Complete homework. • Participate in discussion. • Engage your mind in the course.
Advanced Placement Curriculum (AP)		Advanced Placement classes are weighted using the following values: A= 5.0, B= 4.0, C= 2.5, D= 1.0. AP students are expected to take the course's summative College Board AP exam in May. Test participation is required to receive the weighted grade. AP exam preparation is a significant component of the AP course. Students will need to purchase an AP test preparation book of the instructor's choosing.
Athletics	AIA Rules and Practices	AIA rules and practices can be found on their website at www.aiaonline.org
	Student-Athlete Academic Requirements	A 9 th , 10 th , or 11 th grader must be enrolled in 6 classes in order to be eligible for athletic participation. Seniors must be enrolled in 5 classes to participate in athletics
	Grade Check Policy	<p>Weekly athletic eligibility checks:</p> <ul style="list-style-type: none"> • A weekly grade check will be used to determine eligibility. If the official weekly grade check indicates that a student has received a non-passing grade in one or more their classes, the students is determined to be ineligible at that point and may not participate in extra-curricular activities. • The coach/club sponsor is responsible for verifying that each participant in his/her activity has met grade requirements per policy and for declaring any student not passing as ineligible from all participation in his/her activity for the duration of the ineligibility. Academically ineligible students are not to miss instructional time due to activities. •

Code of Conduct	<p>All student athletes and parents sign the MUHS Code of Conduct in order to participate in athletics at Mingus Union High School. Student athletes are held accountable to those standards in addition to the school policies.</p> <p>The full version of the Code of Conduct is included as part of the online eligibility platform.</p>
Insurance	<p>To participate in athletics, an athlete must have insurance. Insurance forms are available in the Main Office. Myers-Stevens Insurance provides coverage options for any student enrolled in school.</p>
Physicals	<p>All athletes need to complete a physical and athletic packet yearly to participate in sports.</p>
Physical Education Locks and Lockers	<p>Students enrolled in physical education courses are issued lockers. Students can use specific locks available at the bookstore to secure personal belongings in their assigned lockers. Lost or stolen locks are the responsibility of the student.</p>
Athlete Attendance/Discipline	<p>Student athletes are expected to be present at least half (3 class periods) to be eligible to participate in a sport for that day. An unexcused absence eliminates that student from any activities scheduled for that day. Any student athletes who are suspended may not participate in any school activity including practice, until the day after the suspension has ended.</p>
Sports Schedules	<p>Students, athletes, parents or fans may obtain sports schedules from the Athletics Secretary or by visiting the MUHS Athletics website.</p>
Sportsmanship/Fan Behavior	<p>MUHS is committed to the highest ideals of sportsmanship as well as establishing an environment healthy for competition. Negative statements or actions towards competitors, coaches, officials, or fans in attendance at our events will not be tolerated. This includes taunting, trash-talking, baiting, or berating players, officials, or coaches or actions which cause ridicule or embarrassment of others. Warnings will not be issued, and offenders will be ejected without refund. Violators can be suspended from attending MUHS extracurricular events and activities. All school disciplinary codes are also in effect in our continuing effort to establish a school community of respect, courtesy and citizenship.</p>
Athletics and Extracurricular Activities Violations	<p><u>Substance Abuse Rules</u></p> <ol style="list-style-type: none"> a. The possession, consumption, production or distribution of drugs is forbidden. b. The possession, consumption, production, or distribution of alcohol is forbidden. c. The possession, consumption, production, or distribution of tobacco, tobacco products, or smoking (including electronic/vapor) is forbidden. Possession of electronic/vapor device is forbidden and will be considered a tobacco violation. <p><u>Implementation of Procedure</u></p> <p>The Mingus Union High School District (MUHSD) believes that students who are granted the privilege of participating in extracurricular activities will be held to higher standards of behavior than students in the general school population. Students who participate in extracurricular activities in the MUHSD shall not possess, use, sell, give or otherwise transmit, or be under the influence of any drug or counterfeit drug, possession of which is prohibited by law. This includes tobacco and/or vapor products, illegal drugs, controlled substances, alcohol, or intoxicants of any kind.</p> <p>The principal may exclude any student from all extracurricular participation for one (1) calendar year for any violation that involves selling or distributing any quantity of illegal drugs, counterfeit drugs, or controlled substances. Additionally,</p>

any violation of school district regulations, state, or federal laws that could have negative implications on the health, safety, and welfare of students in the general school population will also be cause for exclusion from participation.

This policy will be subject to enforcement and/or disciplinary action by the administrative and athletic department for twelve (12) months of the year. ANY offenses in violation of this policy are cumulative during a student's participation in extracurricular activities. The consequences listed in this policy are *in addition* to regular district policies regarding student substance abuse.

Ia. First Violation In-Season

- a. Two (2) week suspension from all participation in that sport during the AIA sanctioned season. This includes practices, meetings, contests, travel or any other team activities. If less than 2 weeks of the season remains, the balance of the two (2) weeks would carry into the next season of competition.
- b. Immediate removal from any leadership position(s) held in extracurricular activities. Students will be ineligible to hold or run for office in extracurricular activities for the next season of sport.
- c. Student will be assigned an educational sanction by the Athletic Director which may include an on-line or in person educational course related to the offense. The athlete will not be eligible until the sanction is complete, and they are cleared by the Athletic Director.

Ib. First Violation Out-of-Season

- a. Two (2) week suspension from all participation in that sport during the AIA sanctioned season once the season starts. This includes practices, meetings, contests, travel or any other team activities.
- b. Immediate removal from any leadership position(s) held in extracurricular activities. Students will be ineligible to hold or run for office in extracurricular activities for the next season of sport.
- c. Student will be assigned an educational sanction by the Athletic Director which may include an on-line or in person educational course related to the offense. The athlete will not be eligible until the sanction is complete, and they are cleared by the Athletic Director.

II. Second Violation

Exclusion from all participation for one (1) calendar year. An extracurricular participation committee will determine eligibility for return to participation for any students who have received a one-year suspension (see appeal procedure below).

III. Third Violation

Exclusion from all athletic or club participation for the remainder of the student's high school enrollment.

Self-Referral by Student Athletes/Club Members

Students may self-refer regarding student use of tobacco, alcohol, and other drugs. Mingus Union High School will work with students and their families to offer resources. Students will receive the same athletic consequences as a First Violation in or out of Season but will not receive school consequences.

Referral is allowed one (1) time in a student's four-year high school career.

		<p>Referral must be only by the student or a member of the immediate family.</p> <p>Referral must be before the first in-season or out of season violation.</p> <p>Referral cannot be used by students as a method to avoid consequences once a code of conduct rule is violated and a student has been identified as having violated one of the codes of conduct rules.</p> <p>Referral must be made to a sponsor or coach, Athletic Director, teacher, administrator, or school counselor.</p> <p><u><i>Individual Rules</i></u></p> <p>Sponsors and coaches may establish additional rules and regulations with the approval of the Principal and Athletic Director for their respective programs. Copies of all additional rules by sponsors or coaches will be on file in the principal's and athletic director's office. These rules as pertaining to a particular sport or club must be given by the sponsor or coach in writing to all participants and explained fully at the start or at the time of initial participation in the club or sport. Penalties for violation of rules will also be in writing and shall be administered by the sponsor or coach.</p> <p><u><i>Appeal Procedure</i></u></p> <p>Students and their parents or guardians may appeal the decision of the administration or Athletic Director to an extracurricular participation committee. This committee of five shall be appointed by the Athletic Director and consists of an Activities Director or administrator, Athletic Director, teacher, neutral coach, and a neutral club sponsor. The appeal will require the following:</p> <ol style="list-style-type: none"> a. A written appeal must be presented to the principal within five (5) working days of the initial ruling. b. The Appeals Committee shall render a decision within five working days, in writing, to the student and his/her parents or guardian. Students will remain <i>ineligible</i> for any club or sport participation during the appeal process. Appeals Committee decision is final – no further appeals will be considered.
<p>Attendance</p>	<p>General Guidelines</p>	<p>We will make attendance a priority by ensuring your student feels safe and connected while at school. If your student falls behind in attendance, we will respond appropriately based on the number of absences to support your student in getting back on track.</p> <ul style="list-style-type: none"> • A student must attend 90% of all class sessions in order to be eligible to receive credit. Therefore, students may not miss a class more than 9 times in a semester. School events/activities or days missed due to disciplinary action do not count towards the 9 absences maximum. Students are responsible for make-up work. • Absences must be excused within 24 hours of the date of the absence. If an absence is not excused within that time frame the absence will then be documented “unexcused.” • A student may lose credit on the 10th absence from a class. A student must complete the appeal process in order to be considered for restoration of credits. • Appeals will only be granted for extenuating circumstances such as documented chronic illness or long-term illness, court requirements, bereavement. Vacations and non-school related trips cannot be appealed.

		<ul style="list-style-type: none"> Students are responsible for making up any work that was missed due to an absence.
Reporting Absences		<p>Parents or guardians are to call the Attendance Office on the day of an absence at 928-639-0744 or email attendance@muhs.com.</p> <p>If no phone call or email is received, the student, upon return to school, will be responsible for bringing a note from the parent/guardian to the Attendance Office. All absences will be considered unexcused if not reported to the attendance office by the end of the school day.</p> <p>Sign Out Procedures During the School Day <u>If a student leaves during the school day, s/he must first sign out through the attendance office. In the event of an emergency, all students need to be accounted for. Failure to do so will result in the disciplinary action.</u></p> <p>A student <i>may sign out only if:</i></p> <ul style="list-style-type: none"> A parent/guardian has made <u>arrangements PRIOR to the student leaving campus</u> by phone or a note is presented to the Attendance Secretary. A note must include a phone number for verification. A student is ill and the office obtains permission from parents/guardian. A parent/guardian comes in person to sign the student out. A verifiable appointment card for medical treatment, dental treatment, or a court summons is presented. The school nurse has determined the student should go home due to illness; the parent(s)/guardian have been contacted and approved the student leaving campus if they are unable to come to the school and pick up the student.
Late Entry		Students who enroll in school the eighth day of a term or later without transfer grades will be registered on audit status and may not be able to earn credit toward graduation. The teacher may appeal for credit if class requirements are met.
Loss of Credit, Appeal Procedures		A student may lose credit on the 10 th absence from a class. A student must complete the appeal packet in order to be considered for restoration of credits.
Make-Up Policy		<p>When a student is absent, it is his/her responsibility to arrange for and to make up any work missed. The number of days to make up work is the same as the number of days absent. Teacher approval is required for more time. Teachers may assign Academic Intervention during Power Hour to ensure all work is made up and to provide time explain concepts and assignments that were missed.</p> <p>Parents are encouraged to consult Teacher Websites at www.mingusunion.com to view daily work, contact teachers, and arrange for make-up work if an absence is going to be lengthy.</p> <p>Pick up of assignments and books can be facilitated through attendance office if needed. Homework will not be requested for students absent fewer than five (5) days.</p> <p>Teachers will provide make-up work for students who have lengthy absences due to illness or who are on long-term “off campus” suspension. However, teachers are not obligated to give more than two days of work at a time and no more work will be given until the original work is turned in satisfactorily. Unexcused absences and class cuts are not eligible for late credit.</p>

Tardy Policy	<p>Our philosophy is that being tardy is a discipline problem rather than an attendance problem. Within this framework, there are certain guidelines and responsibilities:</p> <p>Student Responsibilities</p> <ol style="list-style-type: none"> 1. Arrive to class on time daily. 2. Be in the classroom when the final bell stops ringing. 3. Students will be marked absent after 10 minutes late. 4. Administrators may excuse a tardy. 5. Students who chronically miss class will be referred to an administrator for corrective action. 6. Students reporting to school late because of a doctor's appointment or other parent excuse must report to the attendance office with a doctor's note or a phone call from the parent to excuse the tardy. They are given a pass to class. <p>It is important for students to understand the benefits of being on time. Tardiness and poor attendance are major causes of low achievement and lack of success.</p> <p>Punctuality teaches students organization and responsibility. It gives the perception of caring and order on campus. It dramatically reduces disciplinary referrals. When all students are in class on time, the quality of instruction increases significantly.</p>
Truancy	<p>Truancy is the deliberate missing of one or more class periods without the expressed permission of the parent/guardian. If a parent/guardian does not call the school or send a note as required, the student will be considered, by default, truant. All absences due to truancy will be considered class cuts. Students under the age of 16 years may be cited for truancy as a disciplinary measure.</p> <p>Arizona Revised Statute says the following:</p> <p>A. It is unlawful for any child who is between six and sixteen years of age to fail to attend school during the hours that the school is in session, unless either:</p> <ol style="list-style-type: none"> 1. The child is excused pursuant to section 15-802, subsection D or section 15-901, subsection A, paragraph 5, subdivision (c). 2. The child is accompanied by a parent, or a person authorized by a parent. 3. The child is provided with instruction in a homeschool. <p>B. A child who is habitually truant or who has excessive absences may be adjudicated an incorrigible child as defined in section 8-201. Absences may be considered excessive when the number of absent days exceeds ten per cent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1.</p> <p>C. For the purposes of this section:</p> <ol style="list-style-type: none"> 1. "Habitually truant" means a truant child who is truant for at least five school days within a school year. 2. "Truant" means an unexcused absence for at least one class period during the day. 3. "Truant child" means a child who is between six and sixteen years of age and who is not in attendance at a public or private school during the hours that school is in session, unless excused as provided by this section. <p>Truancy Consequences: Please see disciplinary matrix for progression of consequences.</p>

		<p>Repeated offences may result in removal from classes and/or referral to probation department for truancy and/or incorrigible child.</p> <p>Legal consequences for Truancy -</p> <ul style="list-style-type: none"> • Letter from the City Prosecutor • Citation by the Cottonwood Police Department • Further Law enforcement intervention; possible fines and incarceration 																																																																																				
ACT/State Mandated Testing		Mingus freshmen, sophomores, and juniors will take the state mandated, grade level assessments in Spring 2022. Additional information will be provided. The Governing Board believes that student rights must be balanced with student responsibility. Students have the right to:

- equal treatment,
- equal access to the educational program, and
- due process.

Students also have, to a more limited extent, the freedom of expression and association.

Expectations of Students

You as a student play the biggest role in your academic success at Mingus Union High School. Students are expected to exhibit the following core values:

1. Accountability
2. Respect
3. Pride
4. Trustworthiness
5. Responsibility

You must remember that you are responsible for your own actions. If your actions are in violation of school rules and regulations, you will have to accept the consequences.

You should also understand that Arizona law allows the district to hold you accountable for your behavior on school property, on the way to and from school, during any school-sponsored activity,

at school bus stops, and in other locations outside school grounds if the behavior has a negative impact on other students, teachers, or school activities. *J-2000*

Students will be referred to an administrator for insubordination, failing to serve teacher-assigned consequences, or acts that may warrant suspension.

To assist in achieving a school environment based on the beliefs of the Governing Board, bullying, harassment, or intimidation in any form will not be tolerated.
